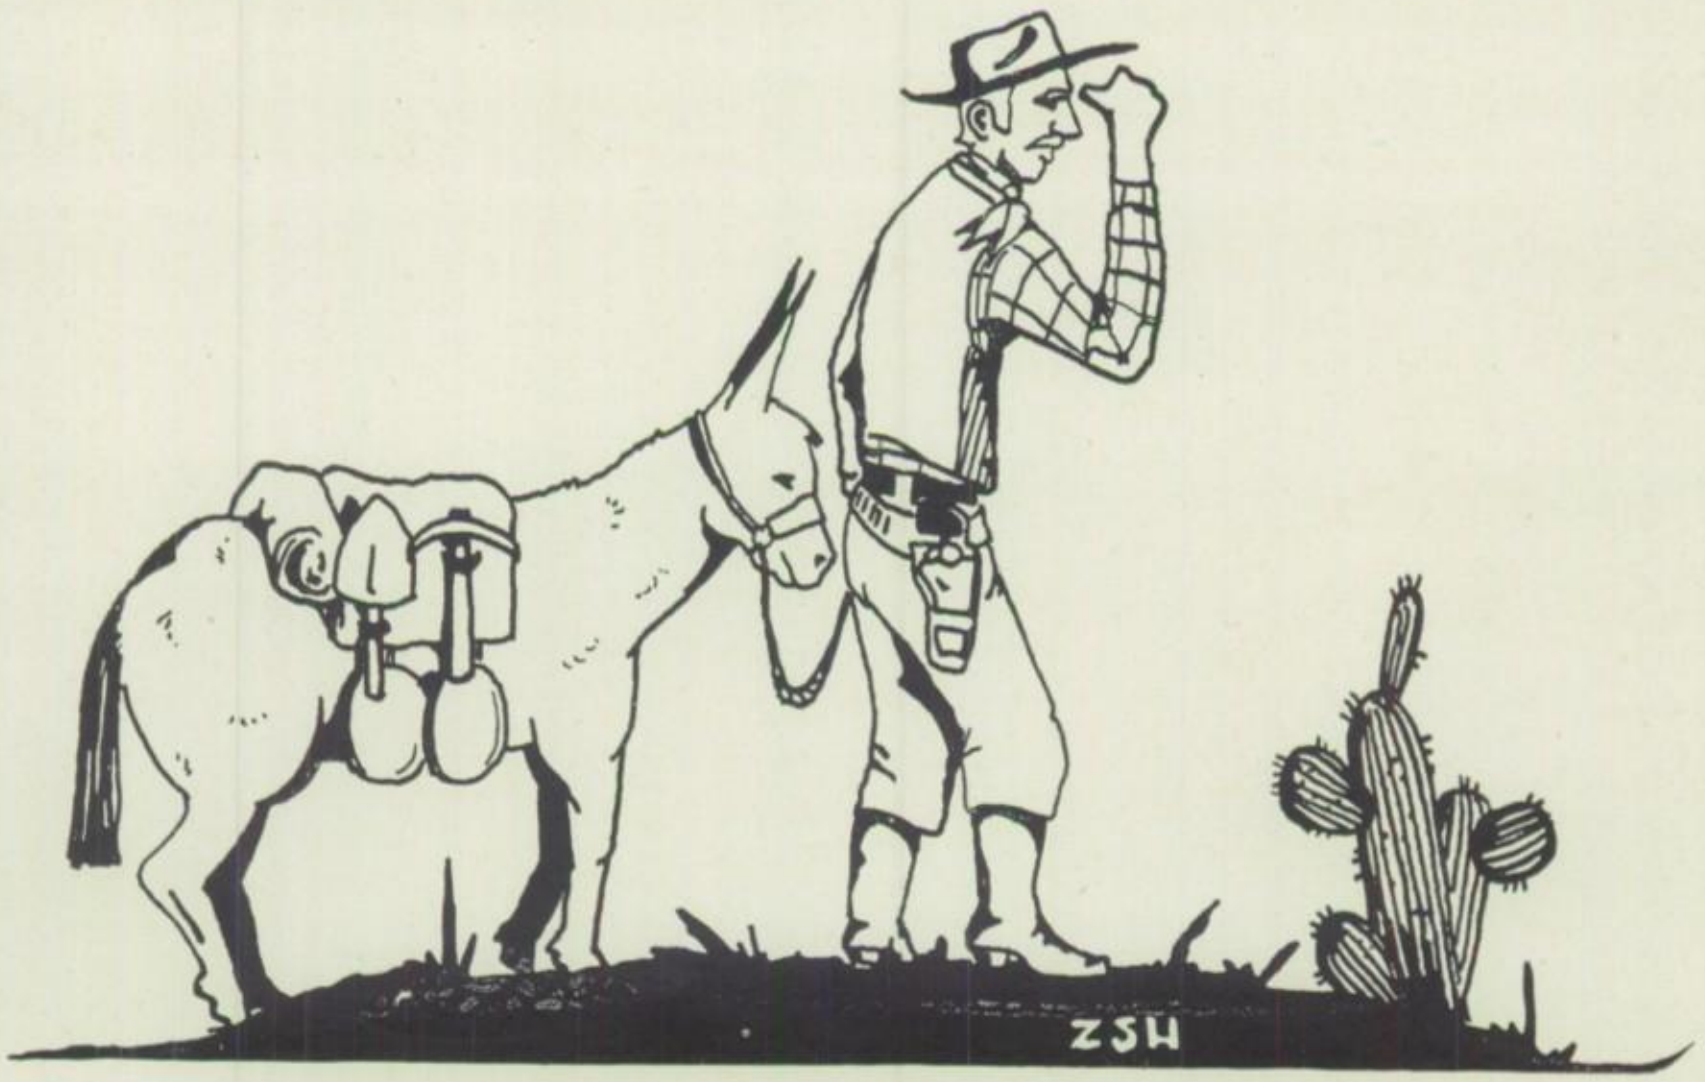
MEMORABILIA



PUBLISHED BY

THE SENIOR CLASS OF

Nineteen Hundred Forty-nine

Bloomsburg High School

Bloomsburg, Pennsylvania

FOREWORD

For the graduating class of 1949, the end of an era is at hand. Gone forever are the happy days spent in and around Bloomsburg High School. This Memorabilia has been published to serve as a lasting reminder of moments never to be forgotten. As you leaf through pages, in years to come, some pictures will cause a moment of reverie while others will always be good for a laugh. This book is, in reality, a brief history showing the high lights of the school year 1948-1949.

The theme of this Memorabilia is the colorful "Forty-niner." The members of the class of 1949 selected this theme because they are seeking the attainment of success just as that chap of a century ago sought the riches of gold.

DEDICATION

IN MEMORIAM

RAY I. SCHELL

In due recognition of his long and faithful service to Bloomsburg High School, the graduating class of 1949 dedicates this Memorabilia to Ray I. Schell, who passed from our midst on March 12, 1949.

Mr. Schell's death ended an era of eighteen years during which he was teacher, coach and friend of the students. He was characterized by his never ending effort to further himself and others in the path of education. His entire life was filled with the zeal which typifies those who strive to ascend the ladder of achievement. Mr. Schell, both as a scholar and as an athlete, set examples that anyone should be proud to follow.

Ray I. Schell's good will and strength of character make him a man who will long dwell in the memories of all who knew him.

The Board of Directors is a group of seven prominent business men who are largely responsible for the progress of Bloomsburg High School. Through our school days, these men have done everything in their power to help us over the hurdles of contemplation and to start us on the road to success.

The class of 1949, in response to the thoughtful efforts of these men, takes this opportunity to thank the Board of Directors for their services.

ADMINISTRATORS

L. P. GILMORE
Supervising Principal

Another class is about to graduate from Bloomsburg High School. In the language of one of the years most popular numbers, "Now is the Hour." This sentiment causes one to ponder. Looking backward, what a glorious record our "49-ers" have written, what pleasant memories they must have to carry with them. Looking forward with a different emphasis, "Now is the Hour"—for what? We have confidence to believe, knowing this class, that the challenge of this sentiment will be accepted in fine faith. The "49-ers" now as the "49-ers" of a century ago are unafraid, not waiting, but moving forward to greet the Hour of Opportunity with a zest worthy of their Alma Mater. In this spirit, onward! Your school salutes you in passing and wishes for you God's richest blessings.

Sincerely,
L. P. GILMORE,
Supervising Principal

J. CLAIRE PATTERSON
Principal

To the Class of 1949:

There is no substitute for consistent, persistent, systematic hard work at something that is worth while.

The citizenry of America look to groups like you for their leaders. If you have taken advantage of your opportunities thus far and are willing to put forth every effort in good work in the future, you may be privileged to serve this great country in which you live.

Sincerely,
J. CLAIRE PATTERSON,
Principal

MEET THE FACULTY

Through their six years spent at Bloomsburg High School, the students learn to know and appreciate the entire faculty. This body of men and women, to the best of their ability, bestow on us the light of learning.

MRS. HARVEY does her best to get the newcomer started on the right foot.

MISS TRIVELPIECE introduces the student to slightly higher mathematics.

MR. HUTTON is responsible for the young weather men (junior grade).

MISS LAWSON arouses interest of ancient and recent history in her class.

MR. GOLDER, between basketball sessions, teaches his eighth graders the art of good English.

MR. MORDAN is great at simplifying an otherwise difficult math course.

MISS SHARPLESS keeps her students awake to current events as well as American history.

MR. MILLER brings the world into his classroom for the geography course.

MISS BOWMAN dishes out the first taste of Shakespeare in her ninth grade English classes.

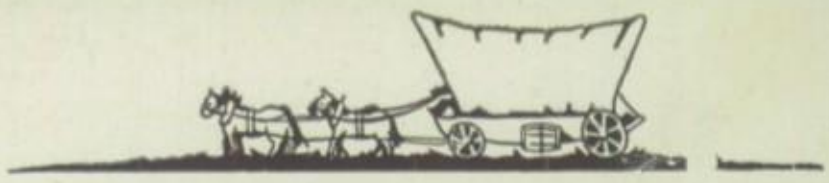
MR. HIDLAY, in his civics classes, teaches the students how to be good Americans.

MR. COX, since moving to the vocational building, has brought related subjects into the curriculum.

MR. CAMPBELL'S soothing voice makes his science class the most likely place to fall asleep.

MISS NICHOL'S cooking classes encourage the girls to become epicures.

MR. EUNSON starts the boys in vocational directions.



Miss Schuyler baffles her Latin classes with her array of tenses, moods and genders.

Mr. Maneval's neckties blend in nicely with his colorful adaptations of French and Spanish.

Miss McKinstry has very enjoyable English classes without textbooks.

Mr. Schell conducts lively geometry classes with variations of everything.

Mr. Kistler has done a capable job in replacing Mr. Schell during his illness.

Mr. Mercer teaches his classes student responsibility as well as geometry.

Mr. Reed turns out fine secretaries just as he turns out championship J. V. basketball teams.

Mr. Barton's law classes never experience a dull moment.

Mr. Shutt was glad to see some of his commercial students farmed out to the college.

Mr. Williams, the newscaster, is turning out our future business men.

Mrs. Hantjis shows her students the serious side of shorthand.

Mr. Brink modernizes the minds of the students in his chemistry and physics classes.

Miss Long's collection of bones and pickled animals makes her biology classes very interesting.

Mr. Sands is quite entertaining with his torture stories.

Miss Pensyl is eager to help anyone choose a future occupation.

Miss Jones is noted for giving a helping hand to all book reports.

Mrs. Kline causes much loss of sleep with her elongated assignments.

Mr. Fisher takes pride in producing future Rembrandts.

Mr. Freed has moved the band to the vocational building where it will no longer distract the sixth period classes.

Mr. Pollock develops both football players and gymnasts.

Mrs. Bader's gym class is the place where some of the lively girls can deposit their excess pep.

Mr. Smith, in his agricultural classes, is teaching the boys who will feed us in the future.

Mr. Haire directs the new vocational building as well as teaching an invaluable mechanics course.

Mr. Foust spends half of his time under cars while teaching auto mechanics.

Miss Beers has reopened the library to bring back a phase of study long absent from the school.

Miss Duy makes the senior boys sorry they did not have examinations this year.

Mr. Thomas brings a new subject, health, into the curriculum.

Mrs. Rumer is a fine aid in the office with her secretarial work.

SENIOR CLASS HISTORY

Sophomores at last! How dignified we felt! This year brought, for the first time in twenty-four years, the football victory over Berwick to the score of 20-6. The team had an undefeated season with 9 victories and one tie. In basketball we had 21 victories and 4 defeats, and won the Championship of the Susquehanna League. In baseball we won the League Pennant and wound up the season with 18 victories and 2 defeats. A truly outstanding year for sports! Our class advisers were Miss McKinstry and Mr. Reed. We selected Doug Yohe, President; Ralph Rumer, Vice-President; Edna Ivey, Secretary; and Barbara Sitler, Historian. At the basketball games we sold candy to earn money for our class. We were well represented in the extra-curricular activities, such as sports, dramatics, journalism and band. Some of us took part in the All School Play "Junior Miss."

Our Junior Year was our most active year. For our officers we elected Richard Dietz, President; James Doty, Vice-President; Barbara Kilfoil, Secretary; Annetta Deussen, Historian. As our Advisers for the next two years we chose Mrs. Bader and Mr. Reed. As ever, our class was busy in the extra-curricular activities. The All School Play this year was "Dear Ruth," and many of our class participated. Our big event of the year was the Junior-Senior Prom. The gym was beautifully decorated in pink and blue with "Club '48" as the theme. It was a lot of work but a great achievement.

All of a sudden we were Seniors! We were eager and curious to see what this last year held in store for us. With quiet dignity we stepped into our roles. Our class officers were Hubert Flaherty, President; Zebulon Hutton, Vice-President; Mitzi Knerr, Secretary; and Annetta Deussen, Historian. Mr. Schell was forced to leave early in the year because of his health and was replaced by Mr. Kistler. As a fine addition to our school, the new vocational building was opened to boys preparing for trade. The band, under the direction of Mr. Freed, also moved to the new building. In the former band room, the school library was opened with Miss Beers the librarian and adviser to the Red and White and the Memorabilia. After many years of wishing and waiting Bloomsburg started its Youth Center on the third floor of Town Hall through the co-operation of students, teachers and townspeople. Many of us took part in the All School Play "Drums of Death" under the direction of Mr. Maneval. Graduation day arrived quickly. A chapter of our life was ending but a larger chapter opened before us—that of going out into the world. As we left our heritage with the Junior Class, we went out confident that we could face any problem the world might offer us.

JUNIOR CLASS HISTORY

As we started our first year of Senior High School in September of 1947, we were all a little awed by the thought of it, but we were full of anticipation of the things to come. During our Sophomore year our class officers were: President, Edward Palevich; Vice-President, Thomas Laubach; Secretary, Mary Kilfoil; Historian, Eugene Rygiel. The class advisers appointed were: Mrs. Harriet Hantjis and Mr. Harold Hidlay, who were very understanding and helped in numerous ways.

This year our class officers were: President, Jerry Pope; Vice-President, John Morrison; Secretary, Derlene Keller; Historian, Oren Baker. Our class advisers, of course, were the same. We were very well represented in extra-curricular activities.

Our first big activity of the year was a Valentine's Day Dance, "Whirling Hearts," which was held in the gym on February 19th with music by Buddy Unangst and his orchestra. As usual we were in charge of the annual Junior-Senior Prom, in May. As a whole the class cooperated very nicely, and not any one person deserves all the credit for our success.

Lots of Luck to my best friend and sister "Becky"

MEMORABILIA STAFF

Toward the closing of each school year, the Memorabilia is published for the students of Bloomsburg High School. This year the staff, under the supervision of Miss Beers, the faculty adviser, has published a book that capably portrays the remembrances of the year 1948-49.

The staff chose the following officers: Editor-in-Chief, Robert Dorsey; Associate Editor, Annetta Deussen; Business Manager, JoAnn Fornwald; Art Editor, Zebulon Hutton; and Sports Editor, David North.

The literary staff, the business staff, the art staff, and the sports staff all cooperated fully to help make the Memorabilia a success.

Donald Arnold also deserves recognition for his contributions to the book in the way of photography.

PRESS CLUB

The Press Club proved to be one of the most active organizations in the high school this year, taking care of many other projects beside editing the RED and WHITE.

The new size and design of the RED and WHITE were certainly the most enjoyed and needed improvement in the paper.

The bulk of the work this year was done by the Editor-in-Chief, Ralph Rumer; Assistant Editor, Eugene Rygiel; and all the rest of the very capable staff.

DRAMATIC CLUB

Dramatic Club aims to give valuable training to every member of the Club. Opportunity is offered to everyone to take part in a play, to prompt, to help with property for a play, and to assist with coaching a play.

Dramatic Club is an important part of the extra curricular activities of Bloomsburg High School. Poise and self confidence in the experiences offered by this Club help in making leaders in school and community.

The Club is set up as a workshop with student chairmen in charge of each meeting. These chairmen select casts for their particular plays and assume complete responsibility for the presentations.

Officers for the year 1948-49 included Rodney Henrie, President; Mary Moyer, Vice President; Ann Nuss, Secretary; Advisory Board, Phyllis White, Chairman; Mary Lou Todd, Susan McNinch, Douglas Yohe.

NATIONAL THESPIAN ORGANIZATION

Membership in the National Thespian Dramatic Organization for High Schools, Chapter 158, is a reward for student participation in the dramatics of Bloomsburg High School. The pledge of the order embodies the high ideals of the National Thespian Society.

Thirty-eight students have attained this high honor in the field of dramatics during the 1948-49 school year.

THE ALL SCHOOL PLAY

"Drums of Death" by Howard Reed was successfully presented to a capacity house on February 11, 1949. The drama was an unusual one; mystery and evil pervaded the entire story. Directed by L. H. Maneval, the cast did a fine job of interpretation of the colorful roles. Members of the cast were Anne Nuss, Edward Palevich, Ralph Miller, Margaret Stecker, Sally Ann Phillips, Mary Ruth Dreibelbis, Mary Louise Todd, Zeb Hutton, John Shigo, and Nancy Rumer.

Mr. Alex Fisher and his Stage Crew did an outstanding job on the setting and especially the lighting. Robert H. Mercer ably handled the business matters connected with this most successful play.

TRI-HI-Y

The Tri-Hi-Y has had a busy and successful year under the leadership of Mrs. Vida Harvey. It conducted a book campaign for the high school library; gave a Thanksgiving assembly program with Rev. M. C. Hunsicker as guest speaker; aided the Youth Center by a collection of money and assisted with its decorating program; sent delegates to conventions at Montgomery and Harrisburg; sponsored a series of assembly program broadcasts on "Getting Acquainted with Our Neighbors"; assisted the Hi-Y to buy a jukebox for dances after the home football and basketball games.

The officers of the Club are: President, Derlene Keller; Vice President, Anne Nuss; Recording Secretary, Nancy Rumer; Corresponding Secretary, Jeanne Griffith; Chaplain, Sally Ann Phillips.

HI-Y

The Hi-Y under the timely guidance of Mr. Brink has just completed one of its most successful years. Among the many things the Club accomplished, probably the greatest were the dances they sponsored which gave the students many delightful evenings of entertainment. It also, along with some other Clubs of the school, aided in the purchasing of a juke box. The boys again took charge of the Intramural Basketball League which had another great year because of the able leadership. Many of the boys attended the North Eastern District Conference at Scranton.

GIRLS' CHORUS

The Girls' Chorus was reorganized this year under the direction of Mr. Freed.

The group met every Tuesday afternoon in the Band Room to rehearse classical and semi-classical music with accompaniment by Peggy Heffelfinger. They were always willing to give proof of their diligent practicing.

STAGE CREW

Bang! Crash! Boom! "Take it up a little!" "Ok, Boss!"

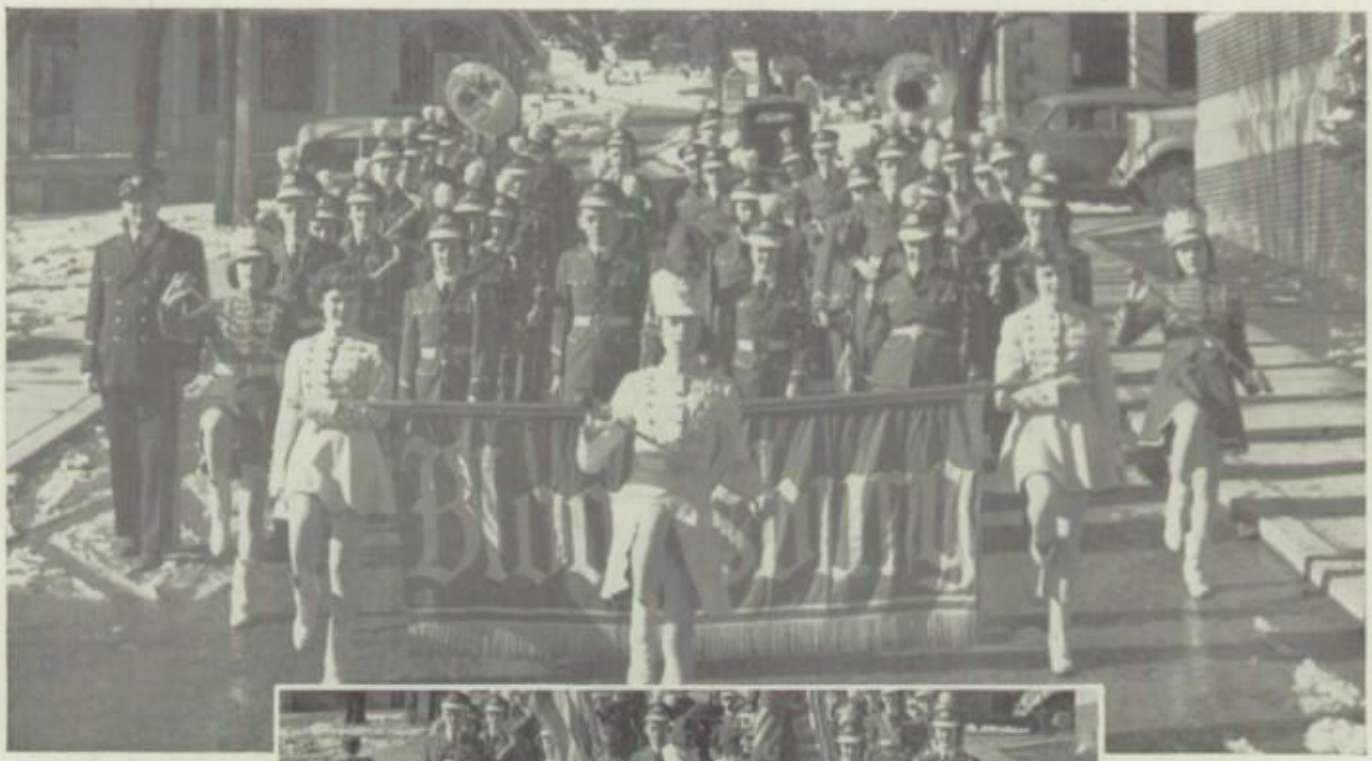
These are the signs of one of the most active organizations in the high school, the Stage Crew. Its policy of cooperation keeps its members hustling most of their extra time.

Under the capable supervision of Mr. Alex (Boss) Fisher, head of the Art Department, the Crew supervises all lighting, construction and setting of scenery for all dramatic productions, amateur and professional, assisting with the assembly programs, installation and operation of the public address system, and decoration and lighting of dances or any other activity held in the gym.

This year, as in previous years, the Crew participated in making the All-School Play, the Prom, Class Day and Commencement a success.

The personnel of the Crew includes: Richard Dietz, Treasurer; James Doty, Kenneth Wright, Jerry Pope, Philip Taormina, Jack Rupert, Charles Coates and Harold Dillon.

Left to Right: K. Wright, J. Rupert, R. Dietz, H. Dillon, J. Doty, C. Coates, R. Watts, P. Taomina, J. Pope, Mr. Fisher.



B. H. S. BAND

Under the baton of Walter H. Freed our Band got off to a wonderful start this year with the football season. The Band was present at all of the home and away games, and received considerable comment on their excellent drills and music. With the help of the Color Guard and Twirlers, they made a colorful showing at the different town parades.

After Thanksgiving they put away the marches and began rehearsals on more serious music and novelty tunes for their spring concert, which was presented on April 29 and was received with enthusiastic approval.

The Officers and Executive Board of the Band were: President, David Heckman; Vice President, Joanne Heisley; Secretary-Treasurer, Hazel Coxe; Head Librarian, Eugene Hummel; Executive Board, the Officers and JoAnn Fornwald, Sally Frye, William Streater and Sylvia Perotti.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association, under the capable leadership of Mrs. Dolores Bader, has completed a very successful season. Many activities were presented which enabled the girls to get their numerals and letters.

The aim of the Club is to promote good sportsmanship in girls' sports such as girls' varsity and junior varsity basketball teams, softball and the annual gym circus.

During the past year the members enjoyed hiking, bowling, weiner roasts, and marching in the Hallowe'en parades. One of the main features was the annual Thanksgiving Dance which was a complete success. Also, dances were held after some basketball games.

The Officers are: President, Mary Elizabeth Moyer; Vice President, Annetta Deussen; Secretary-Treasurer, Joanne Heisley.

F. H. A.

The F. H. A. chapter is new this year. It has applied for State and National membership and has been taking an active part in the county chapter. It is helping to plan the spring get-together for the county chapter.

The Officers who have been working with the membership toward a better organization are: President, June Long; Vice President, Elaine Richards; Secretary, Nancy Hyde; Treasurer, Roberta Bowman; Historian, Helen Kovach. With Miss June Nichols as the supervisor the chapter is gradually accomplishing its goal.

F. B. L. A.

The F. B. L. A., inactive during the first semester, was organized for the year early in the spring, with a membership of approximately 100. It conducted a number of interesting meetings.

The feature meeting of the year was the annual commercial night program, held during the second week of May. All phases of the business education were featured at this meeting.

The organization continued its nationally approved project of conducting a typing and duplicating service for the benefit of the school and the community.

F. F. A.

The Local Chapter of the F. F. A. has increased its membership to 32 this year and several of the boys have won awards.

Harold Wintersteen, Paul Kisner, and Donald Correll, of last year's class, won the Keystone Farmer's Degree. Nesbitt Williams and Donald Correll placed in the state project contests.

JUNIOR TOWN MEETING LEAGUE

A new organization in our school this year, the Junior Town Meeting League, has proved to be a worthy development of our extra-curricular activities.

Under the efficient guidance of Miss Maree Pensyl, Faculty Adviser; Eugene Rygiel, President; Hubert Flaherty, Vice President, and Arden Quint, Secretary, the organization drew up the Constitution of the Student Council of Bloomsburg High School and presented it in completed form to the student body for acceptance. It is the aim of the Junior Town Meeting League to promote discussions on current local, national and world-wide problems of the day.

LEADERS CLUB

One ultimate goal of physical education is the development of leaders. Mrs. Dolores Bader, instructress of the girls' physical education classes, organized the Leaders' Club which consists of one hundred girls. These leaders and assistant leaders supervise activities, assist in testing, take care of all equipment, and keep locker rooms in order. Much is learned about the art of leadership during their leaders' meetings.

COMMENCEMENT

On Friday evening, May 27, the annual Junior-Senior Prom successfully opened the series of important events that mark the completion of another school year and the embarkation into life of another senior class. The Prom which was ably directed by the Junior class, was a great success.

Next came the jovial Class Day presentation—a credit to the graduating class and to the direction of Mrs. Kline. This popular fete was enjoyed by all who attended the affair the night of June 3rd.

On the evening of June 5th, the festivities added a more serious tone in the stirring address delivered by Dr. G. Douglass Davies of the Presbyterian church at the Baccalaureate services.

Finally came the big event—Commencement. The high school auditorium on the evening of June 7th was the scene of this unforgettable exercise which featured Mr. Eugene P. Burton, of Harrisburg, as the guest speaker. The very competent student speakers, the three outstanding scholars of the class of 1949, were JoAnn Fornwald, Annetta Deussen and Barbara Kilfoil. All delivered fine messages.

Although this year was not the championship year for the Panthers, it still was a good year as far as statistics show. The Panthers came out with four wins, four losses and one tie for the season. After last year's members of the squad had graduated, the team was left with some inexperienced players and also some new boys from the Junior Varsity squad. No one can say that the Panthers didn't fight for the victories they won, or that they gave their games away. As for next year, there will be a lot of fellows who do not graduate this year who will be eligible to play. This year there are thirteen Seniors who will graduate. One of them is the boy who was elected honorary captain of the football team, and that is Eugene Morrison.

Everybody is looking forward to a good season next year, and we hope it is just that. Good luck to Ben Pollock, the head coach, and Charles Cox, the assistant coach, and to the squad of 1949-50 for an undefeated season.

VARSITY BASKETBALL

The Panthers of 1948-49 were not champions of the Susquehanna Conference, but they were the champions of team play and school spirit. They displayed themselves as real sportsmen.

Starting the year with eight Seniors and four underclassmen, the Panthers were set for a big year. In the thick of the battle for Susquehanna Conference honors, they were second only to a superior Sunbury team. The team finished with an over all record of 15 wins and 8 losses.

The Seniors who leave have learned to lose and win, which is such an essential part of life. The underclassmen have another year and we wish Mr. Golder and his 1949-50 edition the best of luck.

JUNIOR VARSITY FOOTBALL

Under the capable leadership of Coach Maynard Pennington, the Junior Varsity came forth with a good showing for the season. With a record of five wins and one loss, the boys looked like good material for the future varsity. The crowd is always behind a fighting team, and this team certainly never quit fighting until the last whistle had been blown. This fighting spirit is the spirit that makes championship football teams, and we hope they will have this spirit when they reach the varsity squad.

JUNIOR HIGH FOOTBALL

The Junior High football squad was under the guidance of a new coach, William Shutt. The boys ended the season with a record of no wins and four losses. Most of the boys were inexperienced, and therefore a little green on the field. While the game was on, the boys never quit fighting and they are to be congratulated on that. With more experience in J. V. football, these boys will make a good team for the varsity coaches in a few years to come. Good luck to Mr. Shutt and his J. H. boys for the '49-'50 season.

JUNIOR VARSITY BASKETBALL

Once again Coach William I. Reed guided the Junior Varsity basketball team through a successful season. The Panther cubs ended the Susquehanna League season in the runner-up spot, hot on the heels of the champion Sunbury J. V.'s. Throughout the season the boys put on displays of basketball supremacy, and their scoring machine was never effectively halted. The over-all season total for the team was 17 games won and 4 games lost. Next year many of these boys will move up to varsity to fill the gaps vacated by the eight seniors on the squad. Good things are sure to come to pass if they play the same caliber of ball next year as they played this past year.

JUNIOR HIGH BASKETBALL

The Junior High Basketball team serves as a stepping stone to the Junior Varsity and Varsity teams. The boys now on the Junior High team will be the Varsity stars in a few years. Coach Ben Pollock is the initial guidance given to Bloomsburg High School basketeers. The team, composed of eighth and ninth graders, have given performances this past season that indicate a bright basketball future for Bloomsburg.

The Junior High team is usually crowded out of the limelight by the Varsity and Junior Varsity, but the boys continue playing for their own benefit in acquiring skill and experience to be used in future years.

Although nosed out of the title by Benton in a playoff game at Orangeville, the Panthers came through a very successful season, winning twelve and losing five. After a big first inning Bloomsburg was finally overcome by Benton by a 6 to 5 score. Six regulars played their last game that day for Coach Golder, therefore some building will have to be done for next year's team. The team batted at a respectable clip of .282. Don Berninger showed the way with a handsome .365.

Since eleven players were lost from the 1947 squad, Coach Frank Golder and his able assistant Harold Hidlay had to spend most of their time rebuilding a new team. But when the umpire yelled "Play Ball!" at Lewisburg on April 6, the starting nine was in fine shape.

COACHES AND FACULTY MANAGERS

Few of us ever stop to realize the planning and brainwork connected with our athletic program. Each sport must have its coaches to train and lead the athletes, as well as a faculty manager to arrange an attractive schedule and to take care of the financial status of the teams. During the year the coaches and faculty managers did a fine job in the handling of their respective sport.

A main factor in the moulding of a good athletic program is the playing of Junior High sports. This year, Mr. Shutt drilled the future gridmen of B. H. S. while Mr. Pollock had Junior Basketball. In the Varsity sports, Mr. Pollock did another fine job coaching football with the able assistance of Mr. Cox and Mr. Pennington. Mr. Reed again helped Mr. Golder on the basketball court. When spring came Mr. Hidlay helped Mr. Golder on the baseball diamond.

The bills and receipts of the football season were taken care of by Mr. Mordan while Mr. Miller took care of that part of the basketball season.

NATIONAL ATHLETIC HONOR SOCIETY

Each year several boys who have gained recognition in the classroom as well as on the field of athletics are elected to the National Athletic Honor Society. These boys must be lettermen in their sport and at the same time maintain a comparatively high scholastic average.

The Society was organized on a national basis in 1925 in order to stimulate a favorable balance between sports and studies. This year, as always, the boys who have gained this award deserve the honor connected with it. The coaches too deserve recognition for their fine job of teaching these athletes clean play and sportsmanship.

GIRLS' VARSITY BASKETBALL

This year was a very successful one for the girls' Varsity basketball team with a record of six wins out of nine games. The Pantherettes, coached by Mrs. Dolores Bader, will lose one forward, Verda Welliver and the senior manager, Catherine Heimbach. The coming season promises to be an outstanding one for the team.

GIRLS' JUNIOR VARSITY BASKETBALL

The girls' Junior Varsity basketball team, coached by Mrs. Bader, acquires experience for their coming varsity years. The team played six games and lost three of them. The wins were one game from Hazleton and two from Scott; the losses were two to Berwick and one to Hazleton.

THE CIRCUS

The Circus this year, under the direction of Mr. Pollock and Mrs. Bader, started their spring training in January, and was an outstanding feature of the year. The cast of acrobats and artists made it a successful Circus, the proceeds from which will be used to buy gymnastic equipment. The team consisted of a number of young talents from the Junior High as well as some familiar faces from other years. The Circus was presented April 6, 7, and 8, with five performances. Featured this year was a new piece of equipment, the trapeze, and a variety of clowns.

THE GYM TEAM

Bloomsburg High School is proud to have this group of skilled and accomplished gymnasts for their Alma Mater. Mrs. Bader and Mr. Pollock spend many hours in training these athletes and getting them in condition for the annual Circus.

Girls:
E. Waterman, J. Trudnak, P. Davis, T. Guinard, D. Iverson, J. Flick, J. McCreary, R. Moyle, J. Ernest, J. Eifert.

Mr. Robertson, AP Sports Writer; Mr. Kennedy, President, Junior Chamber of Commerce; S. Trudnak, Mr. Pollock, Coach; Mr. Hickman, Yale Coach.

ATHLETIC DINNER

The annual athletic banquet was held at the Caldwell Consistory on March 3, 1949. The guests were members of the Merchants Association, the undefeated football team of the Bloomsburg State Teachers College, and all the football, basketball, and baseball athletes of Bloomsburg High School. The speaker of the evening was Herman Hickman, head coach at Yale University, who entertained the guests with some of his experiences. Steve Trudnak was presented a trophy by the Junior Chamber of Commerce for being voted the most valuable player of the football team. The coaches introduced the players of their squads after which a dinner was served.

CHEERLEADERS

The teams of B. H. S. were well supported during the year by the finely organized group—the cheerleaders.

This year the cheerleaders, in their new uniforms, were well received and supported by the student body.

The cheerleaders were directed by Marilyn Birtley, Captain; Sally Ann Phillips, Assistant Captain; Miss Bowman and Mr. Shutt, Faculty Advisers. The girls had much to do with the success of the pep rallies and other activities in which they took part.

L. Gingher, J. Logan, J. Thomas, A. Nuss, S. Phillips, M. Birtley, M. Haas, B. Follmer, D. Iverson, N. Lychos.

CLASS PROPHECY

As I look into my magic mirror, I am overcome by a magic spell. The spell permits me to be whirled into the future. As the enchanted haze clears, I can see the Seniors of 1949 engaged in the occupations of their desires in the future year of our Lord 1959.

I clearly see the great NBC network, now owned by the multi-millionaire, David North. Many famous stars are heard on his programs each day. Walter Lang wears a bow tie, and whistles and sings. Audiences are held spellbound by the superb acting of Jane Wenner and Donald Blyler. Audiences are thrilled by the charming voice of the opera star Mary Louise Todd. All these famous people are introduced by that well known announcer James Doty.

The greenhouses in town have been taken over by Mae Lee Lawton, James Knorr, Bill Streater and Minnie Kyttle, and they furnish free flowers for the Prom.

Jack Lewis is a brilliant graduate of Penn State with a B.S., M.H.D., P.H.D. and D.D.T. Phyllis White graduated from a noted Southern College with high honors and a husband.

Eugene Morrison is coaching the championship football team at Penn State, Verda Welliver and Catherine Heimbach both coach girls' basketball, but in rival schools. Steve Trudnak and Ralph Rumer are now the outstanding players for the Cleveland Indians, owned by the retired banker Robert Dorsey.

The staff of B.H.S. now consists of June Long in the Senior English Department, Dale Montgomery teaching Trig as well as Mr. Mercer, and Peggy Heffelfinger swinging the baton in the music department.

When you pick up the telephone receiver, you are aided by the voices of Jean Lowell, Grace Whitenight, Shirley Shaffer and Doris Derr. Skyles Neyhard now manages the Bell Telephone Company and is an understanding boss for the girls.

Everyone is wearing the exquisite clothes designed by Helen Magill and Phoebe Morrison, and admiring the work of the famous hair stylist Alice Bennett.

Ruthann Martz is flying high as a cheerful air hostess in a plane piloted by David Heckman, a Captain in the Army Air Force.

The lovely secretaries pounding the keys are Harriet Girton, Barbara Sitler, Gloria Fritz, Ruth Thomas, Mary Perotti, Elaine Hartzell, Dawn Rupert, Barbara Higgins, Rosabelle Carl. Betty McCracken, Phyllis Hummel, Edna Ivey and Elaine Stevens are happily married secretaries. Quiet Carol Calhoun is a secretary doing art work on the side.

Bill McDaniel now owns J. C. Penney's; Dane Keller owns Walker's Jewelry Store; Robert Fedroff manages Miller's Office Supplies; and Bill Sorber manages Raub's Shoe Store. Tom Fedroff and Ray Shaffer are still trying to decide who shall manage J. J. Newberry's Store while Hubert Flaherty is presiding over the case as a well known lawyer. Dorthy Carey is still employed as a clerk for F. W. Woolworth's Company. Jack E. Swisher is furnishing his services as the advertising agency for all of them. Ernest Bitler is really taking life easy; he owns his own business of manufacturing little cars for little people. See Kenny Edwards if your pipes (not vocal) leak; he's a plumber with 14 karat gold wrenches. Eugene Shepperson now owns a bigger and better Hess' Pool Room. Richard Krum has taken over Dobyn's Studio and he takes all the class pictures. Clark Patterson works at last; he works on the Fernville bridge. George Parsell and Jim Walters are engaged in forest service and subscribe to Esquire magazine.

George Coval is a traveling salesman and covers the globe with office equipment. Leon Eckroth and Roland Peckne joined the navy and are also seeing the world. Richard Dietz and Robert Williams roam the world as educated bums. If they come your way, please feed them.

Hazel Coxe is a good skater now and thrills the people at Knoebel's Grove with her stunts. Nan Wynings is a governess of a huge orphanage and has married a guy who looks like Marty. Esther Clossen is an Extension Leader with lots of time to go to the movies and assist Mr. Reed. Nancy Geistwite puts readers in a trance with her shocking stories in the "Morning Press."

James Creasy can now type 50 words a minute and is trying for 100 in the firm of John, Charles and Gregory.

Dian Davis is a millionaire and gives away $2,000 daily. No address given. Glenn Watts has finally sold Mr. Williams a car and intends to retire on the profits. Everyone laughs at the famous cartoons of Zeb Hutton who is making millions from his talent.

Bernard Shultz is a chemist writing formulas for Donald Thomas who is a textile engineer. John Shigo is also an engineer trying to engineer logarithm tables that can be understood. Donald Arnold is trying to destroy Einstein's theory of relativity by photographs.

Dick Spaid has finally met a new girl and he's now making up the days of school he skipped in 1949. JoAnn Fornwald is making people happy by telling them how she got her A's. Arlene Whitenight who had no particular ambition settled on married life and listens to all the musical programs. Wayne Fisher is silently making his way through life as a man who tells the weatherman just which way the wind is blowing.

The hospital has been taken over by the "Forty-Niners". Glen Hornberger is head pharmacist, Eugene Hummel bosses the laboratory as head chemist, Evelyn Kressler is the child psychologist, Doug Yohe is head doctor, and Mitzi Knerr is head psychiatrist, psycho-analysing them all.

Beverly Burt is a medical missionary in China, while Donald Dunkleberger is a missionary in India and has married Shirley. Lucky Carl Hischer killed a moose and has hung an elk's tooth around Mary Elizabeth's neck.

Zane Hoffman is tearing down cars at Hoffman's Auto Shop. Kenneth Weaver is his top mechanic. Donald Klinger is still tearing down cars in his garage. Frances Sones is one of their best customers since she owns six cars and is considering a seventh. Francis Brown is driving trucks with a built in soda fountain. Donald Swisher has married Edna and he buys and sells cars across the road from Ivey's Fruit Stand.

We are eating food produced by Arden Hess, Paul Kisner, Zeneldeen Swartz and Chester Girton. Robert Kountz owns a dairy of 300 T.B. tested cows. Harold Wintersteen still is raising prize porkers.

Many are happily married. Kenny Wright and Karlene Lemon have married and they have their wish—a million kids. Others that said "I do" are Phyllis Morgan, Josephine Greco, Carl Hartman, Mary Painter, Elaine Taylor, Betty Thomas, Arlene Chamberlain, Annetta Deussen, Laura Ent married Harry, and Sara Frye married Jack. Dotty Fetter is happy because she married a farmer—yep, Jack.
